Thanks, and I apologize for not getting back to you guys in person. I meant to call, but I guess it slipped through the cracks.

Hi Brian,

I talked to Michael this morning. He said he didn't talk to you, but that he figured we were going in this direction with the FLM consultation issue. He didn't sound like he needed a follow up call/meeting.

Thanks!

Let me know what Michael says. I can give him a call if any follow-up is needed.
